VERSE 1

Shame
Runs at the sound of Your name
All of my sin washed away
Where there was guilt now grace

VERSE 2

Fear
No longer room for you here
Jesus You're drawing me near
Making my doubt disappear

PRE-CHORUS

Weight lifting
Lies fading
Chains breaking
This is what You're doing

CHORUS

You turn my mourning to dancing
Your Spirit moving in me
I know I'm found in Your freedom
This is how I'm living, living redeemed
